This can be done by selecting Coop and pressing Start on the settings menu. First step is choosing your character. You will be given an opportunity to create an account if you haven't yet. After selecting the character you wish to use, press OK. Select the game you wish to play from the list. In this case, you will be playing the game "Raider". Press Start and you're ready to play!

Diving Into World of Zombies When the game starts up, press the Help button to get information on how to control the characters and use the game interface. Select your character by clicking on the one that is marked with a skull. Then, you're ready to dive into the zombie infested world. The main menu can be accessed by pressing the Start button. On the main menu, you have the option to search for a new character. You can also browse the single player games. Unlock Characters Right now, all the zombies are unlocked. You'll have to defeat many enemies before getting to unlock some of the more powerful zombies like the "Razor" zombie. To unlock a zombie, you'll have to fight them. The easiest way to do this is to go to the Survival Zone. From here, you will have to fight waves of zombies. The number of zombies that can be defeated is based on your time in the Survival Zone. This means that the longer you are in the Survival Zone, the more zombies you can fight. You'll have to defeat over 100 zombies before you can unlock a character. To do this, you will have to spend a lot of time in the Survival Zone. The more time you put in, the more zombies you will be able to defeat. If you have unlocked all the zombies, you will be able to unlock any of them that you want. Play to Earn Money You'll have to complete missions to earn money. You can spend that money on new weapons and upgrades. You can also spend it on outfits. If you are having a hard time unlocking zombies, you can purchase weapons and outfits using money that you have earned in the game. To earn money, you'll have to complete the various objectives in the game. You will also have to fight zombies in order to unlock the equipment. How to Buy Outfits Since
